Automotive Collision Repair Technology
Tool Rental Policy**

I understand and agree that I will be charged \$250.00 to rent a toolbox full of tools so that I can complete the Collision Repair course during one school year.

As an option I can purchase these very same tools at the price of \$1300.

The rental fee is not a deposit or refundable.

I agree to take proper care of those tools issued to me and will be responsible for any broken or missing tools discovered at check in time during the periodically throughout the year and the conclusion of the program.

Any replacement tools will be approved by the instructor.

I will not place decals on the tool box or alter the tools in any way.

The tools and box will not leave the Collision Repair area.

Paint mask & paint suit not included.

I have read the above policy, understand the policy, and agree to abide by the policy.
